

PRESIDENT OF THE
FAMILY DIVISION

SENIOR PRESIDENT
OF TRIBUNALS

Protocol on communications between judges of the Family Court and Immigration and Asylum Chambers of the First-tier Tribunal and Upper Tribunal.

Introduction

1. This protocol has been issued by the Senior President of Tribunals and the President of the Family Division and Head of Family Justice
2. This protocol applies where an immigration appeal is pending before the Tribunal¹ and the welfare of a child in the United Kingdom is likely to be affected by the decision in those proceedings and there are family proceedings in existence relating to that child. It applies to all family proceedings in the High Court, a County Court or a Family Proceedings Court and (once the Family Court has been established) in the High Court or the Family Court. For ease of reference, these courts are all referred to hereafter as the Family Court.
3. It is anticipated that judges in the Tribunal and the Family Court will be assisted by knowing of the existence of the proceedings in the other jurisdiction, the issues arising, the procedure and time scale for determining them and any information disclosed in the other jurisdiction that may be of relevance to the respective immigration or family court decision.
4. This protocol is designed to enable judges in each jurisdiction to communicate in order to obtain information about proceedings in their respective jurisdictions which may affect the outcome of the proceedings before them and to make better informed decisions.

¹ In this Protocol the Tribunal means the Immigration and Asylum Chamber (IAC) of either the First-tier Tribunal (FtT) and on appeal on a point of law, the Upper Tribunal (UT).

5. The timeline of the respective proceedings is likely to be of assistance to each jurisdiction. Regard should be had to the guidance in Re M and N (Parallel Family and Immigration Proceedings) [2008] EWHC Fam 2281, [2008] 2 FLR 2030².
6. It is not the role of the judges in either jurisdiction to predict the outcome of the proceedings in the other jurisdiction. Where the decision in the Family Court is likely to be a weighty consideration in the immigration decision, it is anticipated that it will normally be necessary for the Tribunal to wait until the Family Court judge has reached a decision on the issue relevant to the immigration appeal³. If so, either the appeal will be allowed by the Tribunal in anticipation of a short period of leave being granted or the hearing will be adjourned, depending on the anticipated timescale of the family proceedings.

Disclosure of documents and directions

A. Directions

7. Documents in family proceedings cannot be disclosed to third parties including judges in the Tribunal without an order of the Family Court Judge⁴. There are no formal constraints on disclosure of material supplied for the purpose of an appeal in the Tribunal; a direction is sufficient to respond to a request from the Family Court. The First-tier Tribunal's powers to give directions do not include the power to direct disclosure from the parties or third parties although it may issue a witness summons but the Upper

² Approved by the Court of Appeal in Re C (A Child) [2013] EWCA Civ 431 at [26].

³ In the decision of RS (India) [2012] UKUT 218 IAC the UT indicated that the Tribunal should either adjourn the immigration appeal or grant a period of limited leave where there are Family Court proceedings the outcome of which is likely to be material to the immigration decision, unless it appears that those proceedings have only been instituted to delay immigration action or removal is otherwise inevitable: see also Nimako-Boateng [2012] UKUT 216 IAC. The Court of Appeal endorsed the approach in RS in Mohan v SSHD [2012] EWCA Civ 1363. Reported decisions of the Upper Tribunal can be found on BAILII under United Kingdom and also on the UT's own web site at <http://www.justice.gov.uk/tribunals/immigration-asylum-upper/decisions>.

⁴ See Family Procedure Rules 2010, rules 12.73 and 12.75 and Practice Direction 12G

Tribunal has such a power where necessary for the fair hearing of the appeal⁵.

8. Where it appears to a judge that there are or may be relevant proceedings pending in another court or Tribunal directions may be issued at case management stage requiring disclosure by the relevant party of the court reference numbers of any past or current immigration proceedings or any past or current family proceedings that have involved any of the parties.
9. The kind of information likely to be relevant that may be held by either jurisdiction is indicated at Annex 1 to this Protocol.

B. Communication

10. A request for disclosure of documents in the immigration proceedings may be sought at the instigation of the family judge using the form of order set out in Annex 2 part 1.
11. An application for disclosure of documents in family proceedings should be directed to the Designated Family Judge⁶ and should state clearly the date by which such information is to be needed which should ideally be no longer than four weeks.
12. A request for disclosure of information or documents in the family proceedings may be sought either by one of the parties direct or at the instigation of the Tribunal judge using the form set out in Annex 2 part 3.
13. A request for the supply of information or documents from the Tribunal should be directed to the Resident Judge of the relevant Tribunal Chamber⁷.

C. Supply of information

⁵ The FtT is still governed by Asylum and Immigration Tribunal (Procedure) Rules 2005 rule 45, and rule 50(1)(b) and (c) while the UT operates under the Tribunal Procedure (Upper Tribunal) Rules 2008 rule 5.

⁶ The names and details of the Designated Judges of the Family Court can be found at Annex 4

⁷ The Resident Judge is the lead Tribunal judge of one the FTT(IAC)'s main hearing centres. The Principal Resident Judge is the lead administrative Judge in the UT(IAC) based at Field House, London. The names and details of these can be found at Annex 3.

14. A draft direction of the Tribunal judge responding to the application of the Family judge is set out in Annex 2 part 2.
15. Where a judge of the family court decides that information can be supplied to a judge in the Tribunal, the judge shall inform the Resident Judge of this fact and at the same time indicate any conditions on the use of the material that are necessary in the circumstances. A draft order is set out in Annex 2 part 4.
16. Directions providing for the anonymity of children and where necessary other parties in both family and immigration proceedings will be considered by the judge in accordance with the joint guidance issued by the President of the Family Division, the Judicial College and the Society of Editors in July 2011 (see 17) and Anonymity Directions in the First-tier Tribunal (IAC) Presidential Guidance Note No2 of February 2011 (see 18).
