Mr David L I Roberts

HM Coroner

5D & E Lakeland Business Park

Lamplugh Road

Cockermouth

Cumbria

CA13 0QT

Dear Mr Roberts

Re Russel Edward Long, Deceased

Thank you for your correspondence dated 10th April 2014 regarding the above.

I can inform you that during the past month works have been carried out at this site which will address the issues you have raised.

These works comprised the installation of a vehicle restraint system on the North West verge leading up to the bridge, and raising the North West parapet wall to a height consistent with the top of the vehicle restraint system.

These works will also be complemented by bend warning signs.

Yours Sincerely

Area Highways & Transport Manager
