

## DECISION OF THE EMPLOYMENT TRIBUNAL 5th AUGUST 2002

### **Preston & Others vs Wolverhampton Healthcare NHS Trust & Others**

The decision of the Employment Tribunal relating to the test issues in the part time worker pension cases, dated 5<sup>th</sup> August 2002, is reproduced here in full.

For ease of reference, the decision has been divided into the four sections detailed below.

Those seeking a short summary of the final decisions relating to the individual test case issues are advised to refer to Schedule 2. In addition, paragraphs 1 to 10 of the full decision provide a useful summary of the main issues considered in the hearing.

#### **The full decision**

This document relates to the Tribunal's test issues decision in full and includes the legal arguments submitted in the hearing. To access this document please [click here](#)

Schedule 1 : Decisions in respect of individual test cases

This section of the decision includes a summary of the Tribunal's findings in each of the test cases. Please [click here](#) to read these findings.

#### **Schedule 2 : Executive Summary of answers to the test case issues**

The test case issues arose initially from the House of Lords judgment published in February 2001, but also included further points that arose at the directions hearing held in November 2001. A full description of each of these issues, together with the Tribunal's findings are reproduced [here](#).

#### **Schedule 3 : List of representatives**

A full list of the representatives attending the test case hearings, held in London Central Employment Tribunal in June and July 2002, is available [here](#).
