27th February 2017

Dear Mr Harris,

Re: The late Dennis Thomas LAVINGTON (re:00213-2016)

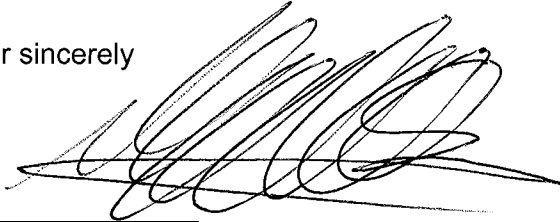

Further to my letter dated 8th February 2017, please be advised that I am writing to inform you that the Transport Planning Consultancy report regarding the proposed car parking improvement measures at Adelaide Health Centre, Millbrook, Southampton, SO16 4XE has now been reviewed by an independent Health and Safety Adviser appointed by the South West Hampshire LIFT Company Board.

The outcome of this review endorses the proposed improvements measures identified in the TPC report, therefore, the Board has instructed such measures to be implemented. Please also note, that it is anticipated planning consent will be required from the local planning authority to implement some of the measures identified and therefore we will seek to progress the improvements at the earliest opportunity.

Registered Office:
15th Floor, Cobalt Square
83-85 Hagley Road
Birmingham B16 8QG
Registered in England and Wales
Registration number 6437163

Should the Senior Coroner have any queries regarding these matters, then I will be more than happy to discuss them further.

Your sincerely
