	THIS REPORT IS BEING SENT TO:
	 The Secretary of State for Transport The Secretary of State for Foreign and Commonwealth Affairs The Chief Executive of ABTA The Chair of the Civil Aviation Authority
1	CORONER
	I am HHJ Loraine-Smith, the Judge appointed to conduct the Inquests into the deaths of the 30 British nationals who were killed in Sousse on 26 June 2015.
2	CORONER'S LEGAL POWERS
	I make this report under paragraph 7, Schedule 5, of the Coroners and Justice Act 2009 and Regulations 28 and 29 of the Coroners (Investigations) Regulations 2013.
3	INVESTIGATION and INQUESTS
	On 3 July 2015 an investigation commenced into the death of 30 British nationals killed in Sousse on 26 June 2015. Their names are:
	Christopher Bell Sharon Bell Lisa Burbidge Scott Chalkley Stuart Cullen
	Suzanne Davey Christopher Dyer Adrian Evans Charles Evans Angela Fisher Raymond Fisher
	Lisa Graham William Graham Philip Heathcote Trudy Jones Carly Lovett
	Ann McQuire James McQuire Stephen Mellor Joel Richards John Stollery
	Janet Stocker John Stocker Eileen Swannack David Thompson Denis Thwaites Elaine Thwaites
	John Welch Bruce Wilkinson Claire Windass
	The investigation concluded at the end of the Inquests on 28 February 2017. The conclusion of the Inquests was that each of the thirty victims was killed on the morning of 26 June 2015 by a terrorist armed with a high velocity firearm and improvised explosive devices, when that terrorist began shooting at tourists on the beach and inside the grounds of the Imperial Marhaba Hotel in Sousse in the Republic of Tunisia. Twenty-nine of the victims were killed by a gunshot wound or wounds when the terrorist opened fire. One victim, Stuart Cullen, was killed as a result of blast-generated fragments as well as being shot by the terrorist. Each victim sustained the fatal injuries in the hotel

 grounds, inside the note of on the hoter's beach CIRCUMSTANCES OF THE DEATHS The circumstances of the deaths are described in the narrative conclusion above. CORONER'S CONCERNS During the course of the inquests the evidence revealed matters giving rise to concern. In my opinion there is a risk that future deaths could occur unless action is taken. In the circumstances it is my statutory duty to report to you. The MATTERS OF CONCERN are as follows (1) I heard evidence that prior to the attack neither TUI nor other travel companies had security advisors on their boards. The evidence of a TUI winness was that "security was a matter for the accommodation hoteliers and providers". I am informed that TUI now have such an advisor. However I remain concerned that if other companies do not have similar security advisors at board level then hotels which they use will not be adequately protected. (2) I heard evidence that prior to the attack, TUI's websites for Thomson and First Choice did not prominently display logos and links to the Government's Travel Aware programme, which provides detailed travel advice for every country on the Foreign and Commoveath Office website. I heard evidence that TUI have taken steps to change their website and promotional literature to make these logos and links more prominent. I remain concerned that other companies which are all holid accommodation separately, may not have taken such steps, as a result of which members of the public receive insufficient information about the risks of terrorist attacks in destination countries. ACTION SHOULD BE TAKEN In my opinion action should be taken to prevent future deaths and I believe you and/or your organisations have the power to take such action.		grounds inside the hotel or on the hotel's heart
