Dear Mr Davies

Regulation 28 Report to Prevent Future Deaths – Marcus Hance deceased

I write in response to your Regulation 28 Report following the inquest of Marcus Hance.

Thank you for providing me with the response provided by NHS Kernow Clinical Commissioning Group, commissioners of mental health services, confirming the on-going review in relation to the Dual Diagnosis strategy; the review of the interdependencies between Outlook Southwest and the Trust and the review of a number of service specifications between NHS Kernow and the Trust.

I fully endorse the response provided by NHS Kernow and confirm the Trust will be working in partnership with NHS Kernow as outlined in their response. I hope this provides reassurance around the action being taken.

I wish to extend my condolences to Mr Hance's family.

Yours sincerely,

Phil Confue
Chief Executive
