Dear Dr Naik

**Re: Ms Sylvia Mitchell DOB: 02 Mar 1928 NHS Number: 488 827 9446 (01)
129 DUNEDIN ROAD GREAT BARR BIRMINGHAM B44 9DL**

The above named lady has been sent 2 appointments to come in to hospital to have her ring pessary removed. However, she cancelled her last appointment with me as she did not feel well enough to come in.

I would be grateful if you could let me know when Sylvia feels ready to come in to hospital for her procedure and I would be more than happy to send her a new date.

Yours sincerely
