

SENIOR PRESIDENT  
OF TRIBUNALS

THE RT. HON. SIR ERNEST RYDER

### Consultation Extension

On 18 February 2020 I issued a consultation entitled: ‘Proposal to amend the Composition Statements of the following Chambers of the First-tier Tribunal:

- General Regulatory Chamber;
- Social Entitlement Chamber;
- Property Chamber; and
- Health, Education and Social Care Chamber’

Views were requested by 5pm on 31 March 2020. However, as a result of the Covid-19 pandemic, I understand that some people who would like to respond will find it difficult to comply with that deadline. As a result, I have decided to extend the period within which responses will be accepted to **5pm on 14 April 2020**.

Responses should continue to be sent to the email address of my office:
