Dear Sirs

RE: Marley Hope SLACK

Please note that I have now had a response to my regulation 28 letter sent to the Staffordshire, Shropshire and Black Country Newborn and Maternity Network. I have had a discussion with [REDACTED] and he has sent me the attached new Pictogram indicating that my concerns have been taken into account and thus the development of the new information which will be an addition to the Red Book for the area.

I am satisfied that my concerns, have indeed been noted and actioned.

Yours faithfully

Mrs D Hocking
Assistant Coroner
Leicester City and South Leicester
