

- Notes:
1. Illustrative design based on Ordnance Survey mapping, historical topographical survey and chain survey.
 2. Design to be confirmed following consultation.
 3. All dimensions are in metres unless otherwise stated.
 4. Surface water drainage works to be confirmed.
 5. See drawings, nos. PL00030-01 and PL00030-03 further proposed works details.

Legend:

- New 'Manchester' type bollard.
- Take up and re-lay existing granite kerbs (kerb face varies)
- Road resurfacing.
- Existing granite sets to be removed and road surface reinstated.
- New flexible footway surfacing.
- New buff blister tactile paving (to uncontrolled crossing).
- New road markings.
- New double yellow lines
- New flat top road hump and existing 2.4m wide zebra crossing.
- Vehicle swept path (16.5m long articulated lorry).
