Dear Ms Church

**We have finished our review of your concerns regarding [REDACTED] (Inquest touching on the death of Matthew John Evans Regulation 28 Report)**

We have now completed our enquiries and the evidence we gathered has now been considered by one of our decision makers, known as an assistant registrar (AR).

The AR is assured that the matters contained in your complaint do not raise concerns that [REDACTED] poses either a risk to patients or undermines the public's confidence in doctors. Although we do not need to investigate further, we will share your concerns with the doctor's responsible officer and ask the doctor to discuss it with their appraiser as part of their revalidation.

**Thank you**

Thank you for bringing these concerns to our attention. If you have any questions about the process so far, please contact me and I will do my best to help.

Yours sincerely
