In the circumstances it is my statutory duty to report to you. The MATTERS OF CONCERN are as follows: The evidence at the inquest was that Kate had become depressed for the last 12-18 mor of her life. Her family described her as displaying signs of psychosis. Obviously, the caus of the decline in her mental health toward the end of her life were likely complex and multiple. The evidence was however, that she had become particularly disturbed over the 3-4 months immediately prior to her death. Specifically, these symptoms had worsened significantly subsequent to her attendance at a Hands of Light Academy course in Worcestershire; which took place on 18th-22nd June 2021. This course is reported to have included ingestion of a plant	ths ses
