Dear Mr Chipperfield

Thank you for providing the Regulation 28 report following the inquest into the death of Leanne Dunn.

As you note in the report, Durham County Council provided a written submission to the inquest, dated 30 November 2022, which addresses the points raised. Having reviewed the Regulation 28 report and the letter of 30 November, I do not feel that there is anything further to add at this stage, other than to reaffirm the commitment of Durham County Council to suicide prevention.

Should you require any further specific information in response to the Regulation 28 report, please let me know.

Kind regards
