

## Thames Valley Police - response to Coroners report

Thames Valley Police will comply with the Coroners recommendations in the following stages due to operational demands and resources:

1. First stage - review all seized and returned guns over a 5 year period.
2. Second stage - review all grants that have previously been revoked, refused or surrendered. 2018 files are coming up for renewal so we are focusing on 2022, 2021, 2020 and 2019. We are starting with 2022 as the most recently issued licences arguably pose the biggest risk.
3. Third stage - review applications that have been refused/revoked but subsequently granted by the Crown Court via the appeal process.

We aim to complete the above stages by 2 October 2023.

If you would like to discuss this matter with me further please do not hesitate to contact me.

Kind regards
