(Attachments:) Regulation 28 Report Cover Letter - Cheshire Con..pdf, Regulation 28 Report - Briggs (JOP).pdf

Dear Sir

I can confirm as follows in response to the Regulation 28 response for Cheshire Constabulary in connection with the Briggs inquest.

1. Cheshire Constabulary has been in liaison with NWS and throughout the development of the JOP has been supportive and keen to move this forward.
2. In October 2023, we signed the original JOP, there were no barriers from us, although other parties have "rejected" the proposed JOP.
3. I have authorised for the revised JOP to now be signed and this has been completed by our Head of Public Contact on the final draft version dated 22/12/2023.
4. The document also includes several fire services, and British Transport Police. I am told they have not yet endorsed the policy but there is a meeting on 16th January 2024 for the coordination and the further signatories to meet and sign the document

Cheshire Constabulary are supportive of the report and have fully agreed to endorse the final draft.
