

**Chief Constable**

Police Headquarters  
Carleton Hall, Penrith  
Cumbria  
CA10 2AU

26 January 2024

Dear Sir,

Please find below a response to the Regulation 28 Report into the death of Claire Nicole Briggs.

We have been working with NWS and other regional police forces to agree a regional Information Sharing Agreement (ISA) as requested which has been signed by ACC Stalker on behalf of Cumbria Constabulary.

We have been working under this Joint Operating Procedure (JOP) since the 12<sup>th</sup> October 2023. The JOP outlines the roles and responsibilities of each agency, how we share information and how to escalate any incidents through the command structure.

We also have clinical support within Cumbria through our "treat and hear" facility which allows officers on the front line to provide updates direct to a member of NWS.

If you need any more information, please do not hesitate to contact me

Regards

  
Deputy Chief Constable
