## **Record of Inquest Andrew James Rees & Regulation 28 Report to prevent future deaths.**

Dear Madam

Further to your Regulation 28 Report following the inquest into the death of Andrew James Rees, I write on behalf of Boatfolk Marinas Ltd, to advise you of the actions we have taken.

We have increased the frequency of our visual inspection of the chains from monthly to weekly and have added a further physical 'pull' test that will take place on each chain on a monthly basis. As with all our inspections, both inspections will be recorded on our inspection management system.

Yours faithfully,

Marina Manager  
Portishead Marina
