Scout Insurance Services Limited trading as Unity Insurance Services has received a copy of the prevention of future death and acknowledges receipt. As a subsidiary of The Scout Association, and with nearly 100 years of Scouting insurance experience, keeping young people safe from harm remains our priority, and we are working with the insurers and the Scout Association to support our customers.

I believe, I was incorrectly named in the inquest as the Chair of Unity in 2018, however, the Chair at that time was Michael Trip.

We take the conclusion of the inquest extremely seriously. We want to restate our wholehearted apology to Ben Leonard's family and our deepest sympathies continue to be with his family and friends."

Kind Regards

Chair of the Board
