Dear Diane,

Many thanks for sharing a copy of this coroner's report into the death of Ms Emily Rose Collishaw. After reviewing the report, MHCLG officials do not consider that there is a specific policy angle here for us to respond to, so I am writing to confirm that there will not be a response from this Department. I have informed the Department for Health and Social Care who will be the lead Department responding to this report.

Thank you again, and please let me know if you have any questions.

Best wishes,
