Good morning [REDACTED]

Thank you very much for your response-. I just want to confirm that the required documents did go to the correct person, our Chairman [REDACTED] who is the nominated individual for many of the services within the [REDACTED] family portfolio.

National Care Consortium is our umbrella parent company and Broom Lane care home is a part of one of the sister companies within the organisation which comes under the business heading of Pristine Care Group LTD. Thank you for your assistance in this matter.

Kind regards  
Kelly

Good afternoon

I am writing to you today thank you for your correspondence and to acknowledge receipt of the letter from Ms. Mundy dated 3.9.24, along with a copy of the prevention of future deaths- Regulation 28 paperwork.

Can I please respectfully request that the letter be amended to state that Broom Lane is part of Pristine Care Group LTD and not National Care consortium as stated at present.

Many thanks

*Kind Regards,*
