Dear Sirs

**Re: Inquest of Mr George Dillon – Response to Reg 28 Report
Highway Accident: 18/05/2023 in Lee Lane, Romsey**

We acknowledge receipt of your Prevention of Future Death (PFD) report dated 01/05/2024. We appreciate the concerns you have raised following the inquest into the death of George Dillon and apologise for the delay in responding to you.

Actions Taken

Your report highlighted several areas of concern, particularly regarding the speed of vehicles and number of collisions at this location. This has prompted another review by the Casualty Reduction Programme team into the circumstances of Mr Dillon's collision. We attach this review for your attention.

In summary, after careful consideration, we have recommended that crossroad warning signs and reduce speed now signs together with SLOW road markings are provided along Lee Lane on both approaches to the Spaniard's Lane crossroads.

Should you require any further information or clarification, please do not hesitate to contact us.

Yours faithfully

Senior Legal Adviser
For Assistant Director – Legal Services and
Monitoring Officer
