**To:** [redacted]

**Subject:** Cornwall Coroner

To whom it may concern

Reference the accident on July 25<sup>th</sup> on the b3252 when sadly James Edward Turner lost his life.

To my recollection there has never been a previous incident.

My thoughts are that signs approaching the entrance would be appropriate.

Hope this is of assistance.

Don't hesitate to get back to me if I can be of any more help.

Please confirm receipt.

Regards
