Ref: Alexander Kieran Ari Channing - Prevention of Future Deaths Report (ref: 22815272)

Dear Ms Booth

On behalf of Arts University Bournemouth, I acknowledge receipt of your letter dated 31 January 2025 relating to the Prevention of Future Deaths Report following the inquest touching the death of Alexander Channing.

I note the concern raised by HM Coroner:

There is no training provided to the wellbeing services at the Arts University Bournemouth in relation to students diagnosed with Emotionally Unstable Personality Disorder.

I confirm to HM Coroner that a full day training session on EUPD and personality disorders was delivered to 17 members of Student Services staff, including Wellbeing Practitioners and Counsellors, on Monday 6 January 2025.

Training was provided by [REDACTED] Senior Partner in Metal Health Training. [REDACTED] is a psychologist and has also trained in postgraduate Psychiatry at Cardiff University School of Medicine.

Full details of the training provided are available at <https://mentalhealthtraining.co.uk/the-frontline-training-group/>

I trust this action fully addresses the concerns noted in the Prevention of Future Deaths Report.

Yours sincerely
