Good afternoon,  
  
Thank you for your email.

Our officials have advised that the matters of concerns raised would not be appropriate for DfT to respond but is for DCMS, as the bike crash happened on a racetrack and not on the public highway.

I can see that you have already sent a copy of the report to DCMS.

Kind regards,  
  
[REDACTED] | Correspondence Allocations Manager, , Department for Transport
