

# PENDING COUNTRY GUIDANCE CASES and ISSUES

As of 20 March 2025

[Click to Access Pending Cases](#)

This document gives details of all pending country guidance cases before the Upper Tribunal, Immigration and Asylum Chamber (UT IAC).

It is designed to provide relevant details of intended country guidance cases coming up in the Upper Tribunal, identifying the countries concerned, the relevant country guidance issues (in summary) and what stage the case has reached (e.g. whether it has had a Case Management Review hearing or whether it has been fully heard and the decision reserved). Once a country guidance case has been decided and reported it will be available in the ordinary way on the UT IAC case law database (<https://tribunalsdecisions.service.gov.uk/utiac>) and will no longer appear in this document.

Previously this resource has been for circulation within the judiciary only. It is now considered that relevant information should be made more widely available.

It is intended that this document is updated regularly on instructions from Upper Tribunal judiciary. However, because cases do not always proceed for various reasons and because there can be short delays in updating, its contents are NOT to be taken as a definitive statement about such matters.

If you are aware of an issue where new or revised country guidance may be required (particularly if your appeal is already before the Upper Tribunal) please email [countryguidance@justice.gov.uk](mailto:countryguidance@justice.gov.uk) and your request will be given to the relevant Upper Tribunal judge for consideration.
