Mrs Hunt

Senior Coroner for Birmingham and Solihull

By way of email only: coroner@birmingham.gov.uk

Dear Mrs Hunt,

Inquest concerning the death of Tina Doig.

Response to Regulation 28 of the Coroners (Investigations) Regulations 2013.

I am writing in response to the Regulation 28 notice issued following the conclusion of the Inquest held on 15 and 16 May 2025 concerning the death of Mrs Doig, who sadly died on 16 August 2024 at Queen Elizabeth Hospital Birmingham, part of University Hospitals Birmingham NHS Foundation Trust (UHB).

First and foremost we extend our sincere condolences to Mrs Doig's family and friends.

We acknowledge the serious concerns raised regarding staffing levels and capacity in the haematology department at the time of Mrs Doig's stem cell treatment and the importance of taking meaningful action to prevent future deaths.

NHS Birmingham and Solihull (BSOL ICB) has carefully considered the issues outlined in your report and is working closely with UHB to support the actions and recruitment plans detailed in their response to the Regulation 28 notice dated 8th July 2025.

The ICB takes the recommendations within the Regulation 28 report extremely seriously. We are committed to support UHB in delivering the necessary improvements to the service and we recognise the importance of learning from this tragic event to help prevent similar incidents in the future.

If we can be of any further assistance at this time, please do not hesitate to contact me.

Yours sincerely

Chief Executive, ICB NHS Birmingham and Solihull
