1<sup>st</sup> April 2026

Having read the report I can see that I can do very little to enforce the road layout and the guidance given to road users, as this is down to the highways department and the police to prevent motorists from breaking the rules of the road that are signed and have the appropriate road markings.

I have taken away from the report that it is probably best if drivers leaving Moss Farm shop are advised not to turn right.

I have asked Midland signs to prepare a sign with no right turn to go at the exit of the car park. I will get this done as soon as practically possible
